## **FASNY DEIS Public Hearing Dates Set**

Dear Neighbors-

On Monday evening the Common Council deemed FASNY's Draft Environmental Impact Statement (DEIS) complete and scheduled two public hearing dates. The public hearing is currently scheduled for two dates: **Wednesday, September 19** and **Wednesday, October 17**. The hearing will begin at **7PM** on each date. As the dates approach we will send reminders.

We are happy to report that many people responded to our request to participate in the review of the DEIS in preparation for the public hearing. We held an organizational meeting and are on our way to preparing a substantive response to the FASNY's assertions in the DEIS. And, there is always room for more people! If you are interested in helping out, please let us know. All you need is some time and some passion. A link to the DEIS can be found on the city's website

[www.cityofwhiteplains.com](http://www.cityofwhiteplains.com) and ours, [www.gedneyfarms.net](http://www.gedneyfarms.net).

Also, please note that we are hopeful the Common Council will decide to hold at least one of the public hearings in a larger venue. I, for one, am a big fan of our historic City Hall. However, the Common Council chambers have proven to be inadequate for public hearings that draw large crowds. And, I am certain the FASNY DEIS public hearing will draw a large crowd!

We will keep you informed as more information emerges.

Thank you.
