## **Important FASNY Information: Letter to City from Our Attorney and Our Traffic Expert's Report**

Dear Neighbors—

Attached are two important documents in connection with the FASNY application:

- ❖ a [letter authored by our attorney](#) explaining our position concerning the difficulties surrounding the release of the TRC Traffic Report. It also demands that the City re-opens a public hearing/comment period regarding new information contained in the TRC report which became available after the City's imposed 9/12/13 deadline for public comment. We are waiting for a response from the City.
- ❖ the [revised report prepared by Mary Manning](#), the traffic consultant we have hired to review the latest traffic information contained in the TRC Report

Please take a few moments to review these important documents. We will continue to keep you posted.

Thank you.
