**Donn Sand**

Dear Friends and Neighbors-

It is with great sadness that we are sending this email. Donn Sand, our beloved friend and neighbor for over 30 years, passed away today, Friday, December 14th. Donn had a fall at his Ridgeway home on Monday. He suffered a serious head injury and was not able to overcome it. Donn recently celebrated his 85th birthday. He is survived by his wife Rosemarie, his daughter Valerie and her family.

We know that many of you knew Donn from our FASNY work, most notably as part of the team which made the traffic presentation at the September Common Council public hearing. You also probably knew him from his rides on his three-wheel trike with the yellow flag on the back. He rode throughout Gedney and met a lot of people. We should all remember that and let it put a smile on our face when we think of Donn. He was a one of a kind, unique man who we will miss terribly.
